*sample daily itinerary*

9am

Wake up with breakfast and gorgeous sunrises. Then, cue the playlist. We'll drive up the coast, landing near the village of Ano Diakopto.

11am

We'll find Tetramythos, a bio-winery run by a dedicated brother-sister duo. The team honors their history by using ancient amphoras in their modern-day production. We'll try their interpretation of Retsina, alongside Malagousia and their spin on the Pet Nat.

1pm

We'll have lunch on the vineyard with the winemakers, where they can tell us how they rescued local grapes from extinction. Heroes.

5pm

The high vibes will follow us on our roadtrip back to Nafplio.

9pm

We'll cap the night with a group dinner back in Nafplio, where we'll share more pours, stories and dinner together.
